

Core::GUI::GUI_Container
::FieldInterface::pushData

```
graph LR; A[Core::GUI::GUI_Container::FieldInterface::pushData] --> B[Core::GUI::Object::AnyField::init];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Core::GUI::GUI_Container' on the first line and '::FieldInterface::pushData' on the second line. The right box is white and contains the text 'Core::GUI::Object::' on the first line and 'AnyField::init' on the second line. A dark blue arrow points from the right side of the left box to the left side of the right box.

Core::GUI::Object::
AnyField::init
