

Core::GUI::Props

Core::GUI::Props_Text

```
graph BT; A[Core::GUI::Props_Text] --> B[Core::GUI::Props];
```

The diagram illustrates an inheritance relationship. A solid rectangular box at the bottom contains the text 'Core::GUI::Props_Text'. A vertical arrow points upwards from the center of this box to a dashed rectangular box above it, which contains the text 'Core::GUI::Props'. This indicates that 'Core::GUI::Props_Text' inherits from 'Core::GUI::Props'.
