

Core::_Joint::AddJoint

```
graph LR; A[Core::_Joint::AddJoint] --> B[Core::_Joint::_Joint]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'Core::_Joint::AddJoint'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Core::_Joint::_Joint'. Both boxes have a black border.
